SANTA ROSA, Calif.—A retired San Leandro firefighter will be starting the new year off as a millionaire after a trip to a Lake County casino. Officials at the Twin Pine Casino say Dale Valentine won \$8.4 million playing a Megabucks slot machine at the casino Tuesday night. The casino's marketing director, Tim McGlynn, told the Press Democrat that Valentine owns a vacation home in Lake County, and is a frequent visitor to the casino.

McGlynn say statewide the Megabucks slot machine game produces multi-million dollar payouts once or twice a year.
