

Bellagio Discontinuing \$25000 Chip After Heist - NPR

Written by Administrator

Friday, 31 December 2010 06:21 -

It'll be harder to flash a certain kind of cash in Las Vegas in the New Year. The Bellagio casino is discontinuing its \$25,000 chip. A gunman robbed the casino of \$1.5 million in chips earlier this month, and is still at large. Casino executives hope to make it harder for the thief to cash them in.
