

## **Shares rise after Macau gambling revenue increases**

4 October 2010

MACAO -- Macau revenue increased 40 percent in September which saw casino owners shares rise, according to Bloomberg.

Though growth in Macau continues, the rate of  
it "decelerates" according to the Bloomberg report.

Shares in Wynn rose 4 percent, Melco Crown 3.5 percent, Las Vegas Sands 3.2 percent and MGM Resorts 0.9 percent on the New York Stock Exchange, Bloomberg reported.
