Hollywood Casino generated more than \$2 million of revenue during its first four days of operations.

The Perryville, Md., slots facility opened on Sept. 27 and averaged nearly \$346 per day per machine in gross gaming revenue. The facility has 1,500 slot machines.

Nearly half of the money is slated to support the Maryland Education Trust Fund, with one third of the revenue

remaining in the coffers of the casino. Hollywood Casino is the first slots facility to open in Maryland.
