

Cache Creek Casino Resort is now offering a stylish way to visit Brooks and the Capay Valley.

The casino’s new motorcoach service, “Cache Creek Casino Direct.” Service began Jan. 20.

With more than a dozen daily routes to/from the greater Bay Area including San Jose, San Francisco, Vacaville, Fairfield and more, traveling by bus is a popular, hassle-free transportation option for those who wish to view Mother Nature on their way to the casino.

Cache Creek has partnered with Casino Cruiselines, a nationally recognized motorcoach specialist, to launch “Cache Creek Casino Direct.”

The company provides premium motorcoaches and a central point of contact for information about schedules, pick-up locations, special offers and more.

A direct booking option through “cachecreekcasinodirect.com” makes it easy to select a predetermined pick-up/drop-off location, see an affordable all-inclusive price including a casino offer and know exactly when the ride leaves and returns.

Interested customers can also call the easy to remember toll-free number (833) BUS-TO-CC (287-8622). Advance reservations are recommended for the in-demand service.

Cache Creek Casino Resort, owned and operated by the Yocha Dehe Wintun Nation in Brooks.
