EAST PEORIA (WEEK) -- Going with Gov. JB Pritzker's latest mitigations to slow the spread of COVID-19, Par-A-Dice Hotel Casino will close temporarily at 11 p.m. Thursday.

Under the latest state orders that were announced earlier this week, casinos are being ordered to close their doors temporarily at 12:01 a.m. Friday.

"This closure will impact all public operations, including the casino, restaurants and hotel. We do not have an anticipated reopening date at this time," a spokesperson for the casino said Thursday.

Customers who had reservations at the Par-A-Dice during the closure period are asked to call 800-727-2342 for information and assistance.
