Casino tourism is popular in some states in India, where land-based gambling is legal. One of the most renowned travel destinations for gamblers in India is Goa. It is a perfect holiday destination for gamblers of all levels. You will enjoy not only the wide array of land-based casinos but also the beautiful coastal sceneries and beaches. The beauty of nature and state-of-the-art casinos attract tourists on a regular basis, making it one of the most crowded destinations in the country.

[GOA government](#) is proactive in strengthening its tourism despite the pandemic that the entire world is experiencing right now. One of the reasons many people flock to Goa despite pandemic is the natural beauty of the surroundings and the reputation that the land-based casinos built throughout the years. The area in the northern part of Margao is the home to fun-filled casinos. Such land-based casinos offer all forms of gambling entertainment such as slot machines, poker, roulette, baccarat, and poker, to name a few.

As the Indian government [extends Covid-19 curfew till September 6](#) , many land-based casinos, especially hotel casinos in Goa, are employing measures to maximize the gaming experience without breaking the curfew set by the government. Another way to ensure gamblers are not breaking the curfew rule is to spend time in luxury hotels such as house the biggest casinos in the country.

Gambling destinations in Goa and the effects of Covid

Despite the surge in Covid-19 cases in India, the casino industry remain unaffected. However, a significant number of people prefer to gamble online than visiting a traditional brick-and-mortar casino. So they were given the [option to gamble on live casinos from home](#) . Below are the must-visit luxury casino destination in Goa.

- **Casino paradise** – It is a huge in-house casino destination offering a variety of games to all types of players. It has been around for quite some time now and has successfully built a name as the top gambling destination both for local and international tourists.

- **Casino strike** – It is the rival of Casino Paradise. What makes it an ideal destination for casino lovers is its location. It is strategically located across the bay of the Vasco Gama peninsula and on the right side of Siridao Beach. Casino Strike offers an extravagant casino gaming experience. especially in places where land-based casinos are not allowed. Even though Goa allows land-based gambling, it still offers offshore gambling just so to give players options and atmosphere. For offshore gaming boats, two of the must-visit sites are Deltin Jaqk and Deltin Royale. They offer a variety of casino games along with other forms of live entertainment and a mouth-watering dining experience.

How does casino tourism in Goa is coping with Covid-19?

Although the casino sector of Goa survives the effect of Covid-19 pandemic, it does not necessarily mean that it can become lax in its marketing measures. Almost two years in Covid-19 pandemic, many are still struggling both in financial and health departments. Many people are afraid to visit land-based casinos because of the risk caused by Covid-19, although casinos in Goas kept the number of players to a minimum capacity. More so, such casinos employed all possible measures to prevent the spread of the virus.

Health and safety security measures are tight, but the number of players has decreased significantly because of financial constraints. Fortunately, online casinos are there to somehow ease the worries brought by the pandemic. Gamblers can play their favorite casino game without leaving the comfort of their home. They can also save a significant amount of money for they no longer need to physically travel from their house to the casino destination of their choice. All that it takes is for them to choose an online casino site that accepts Indian players. Sign up for an account, make an initial deposit, activate the bonus, and start playing. The deposit and withdrawal methods are done online, so you don't need to go out to enjoy your favorite casino games.

Covid-19 has taken the entire world by storm and has negatively affected almost all business sectors. However, it is fortunate to know that the casino sector and gambling sector, in general, is not only surviving but thriving. If you have not tried playing at an online casino site before, now is the best time to do so. Start your journey by signing up for an account with a highly reputable casino site.
