MILWAUKEE — Potawatomi Hotel & Casino will resume 24/7 operations Monday, the casino announced in a news release.

The move to around-the-clock operations is the first time the property will be open 24/7 since March of 2020.

“Twenty-four-hour-a-day entertainment has been a part of this property’s identity for many years,” said Potawatomi Hotel & Casino CEO/General Manager Dominic Ortiz. “This marks one more milestone in our journey back to fully re-opening. Everyone here is thrilled each time we take another step toward a return to pre-pandemic operations.”

In addition, Potawatomi will re-introduce table games to the casino floor on November 1, the news release says.
