- [Las Vegas Sands Falls On Macau](#)

10. Macau's gov't rejected the casino and resort operator's bid for rights to lucrative land in Cotai. Las Vegas Sands (LVS), which already has spent at least \$102.4 mil on pre-construction costs, can file appeals with the Macau chief executive or via local courts. It's also in the middle of an ...

- [U.S. Stocks Up, But Trade Lower Again](#)

For the second day in a row, the major indexes achieved solid gains and closed near the session's peaks, but with volume lower across the board. The NYSE composite climbed 1.4% while the S&P 500 rose 1.3%. The Nasdaq composite added 1.2%, the Dow 1%. Turnover was slightly lower on both the NYSE ...

- [U.S. Stocks Up; Fossil, EZchip Jump](#)

The major indexes held near the session's highs in early afternoon trading on Thursday, helped by upbeat pending home sales data and the European Central Bank's move to extend some of its emergency support. That positive news offset a worse-than-expected figure for initial jobless claims. The NYSE ...
