What is the Harrah's Casino bonus offer?

The Harrah's Casino online bonus gives new customers a 100% first deposit bonus up to \$300 as well as a free \$10 gift to use on whichever games they please. Given this, we're here to take a closer look at how good these bonuses actually are and how they work.

First Deposit 100% Match Casino Bonus

The Harrah's Casino deposit bonus is generous, with only a number of other casino sites able to offer more when it comes to the maximum bonus amount. Additionally, the fact they're willing to match 100% of your deposit is another huge positive when it comes to Harrah's Casino deposit bonus.

The main strength of their deposit bonus is the wagering requirements, with this sitting at x5 for all of their slots, whilst all of the other games contain wagering requirements of x25.

This therefore means that, when it comes to slots, you have to play through your bonus just five times before you can withdraw anything you've won with them, with you then needing to play through your bonus 25 times for all remaining casino games.

Most casino sites have wagering requirements of 30x or more for their first deposit bonuses, something that makes Harrah's Casino stand out amongst its competitors.

\$10 on the house

From the moment you finish setting up your Harrah's Casino account, you will be rewarded with \$10 for free to use on whichever casino games you please. You don't have to make a deposit of any kind to receive these free funds, with the \$10 placed directly into your account upon setting it up.

Similarly with the deposit match bonus, there is a x1 wagering requirement on all slots games, with all remaining games coming with a wagering requirement of x5.

How do you claim the Harrah's Casino bonus offer?

A Harrah's Casino promo code is not needed in order to take advantage of their generous new customer offer at their online casino, with just the following steps needed in order to do so:

1. [Click here to claim your Harrah's Casino welcome bonus](#)
