---

MOUNTAIN VIEW, Calif.--( [BUSINESS WIRE](#) )-- [Knightscope, Inc](#) . [Nasdaq: KSCP], a developer of advanced physical security technologies focused on enhancing U.S. security operations, today announced that it has another new casino client.

When the threat of criminal activity is as high as the stakes at the card table, it's important that facilities are properly monitored. The flow of people and money is constant, upping the risk of incidents. But with the proper tools, like the K5 Autonomous Security Robot (ASR) that will soon patrol this new California casino, such worries are curbed, and the thrill and enjoyment of the gaming experience prevails.

### About Knightscope

Knightscope is an advanced security technology company based in Silicon Valley that builds fully autonomous security robots that deter, detect and report. Knightscope's long-term ambition is to make the United States of America the safest country in the world. Learn more about us at [www.knightscope.com](http://www.knightscope.com)
