ST JOHN'S, Antigua--([BUSINESS WIRE](#))-- [Juicy Stakes Casino](#) return for another week of sizzling spin specials! From the 22nd through to the 29th August, just shy of 400 Free Spins are up for grabs to use on six of the best slots from the casino's choc-a-bloc collection.

You could say the first offer this week is a BIT special... with the chance to earn [120 Free Spins](#) on two top slots with a crazy crypto offer. Firstly, deposit \$25 using Bitcoin and enter the bonus code COPPERCOIN for 45 Free Spins on Alkemor's Elements. Then use the popular cryptocurrency to deposit \$50 alongside the code SPELLBIT – that'll earn you an extra 75 Free Spins for Faerie Spells.

And if Bitcoin isn't your thing, there's no need to worry. Because this offer is still for you. If you deposit another way but follow the same process, you'll get a similar deal but with 15 spins less for each game. That's still a nice 90 Free Spins!

Want more? You're in the right place! Same dates, same premise, different offer – this time with [270 Free Spins](#) at your fingertips to use on four stunning slots.

It's party time with 30 Free Spins for Party Paradise, yours when depositing \$25 using code PARTY30. Splash out another \$50 using TROPIC60 to get 60 Free Spins for Tropical Splash, while a deposit of \$75 using DIAMOND80 will reward you with 80 shiny spins for Diamond Strip.

Then on to the big one. A hundred Free Spins for the aqua adventure Shark Spins, available by depositing \$100 and entering the bonus code BULLSHARK100. An offer with plenty of bite.

John Murphy, manager of Juicy Stakes Casino, said: "Another week, another avalanche of Free Spins falling to our Juicy Stakes superstars."
