SYDNEY, Australia--( [BUSINESS WIRE](#) )--Christmas might be just around the corner, but why wait until December 25th? [Fair Go Casino](#) believes it's a time for giving all year round – just ask their loyal casino players.

For VIP players on the popular platform, they've grown accustomed to receiving a little something special from the Aussie online casino, and it really is something that sets Fair Go Casino apart from the opposition.

Bonuses are good – and don't worry, there are plenty of those to be had too – but if you want something more, who ya gonna call? Just recently, one VIP was the recipient of a brand new iPhone 14 Midnight 256GB as a reward for their loyalty. And there's more where that came from.

Among the generous gifts showered on loyal players this year are a savvy selection of tech gifts, some of the finest whiskies and best beverages around, make-up advent calendars ('tis the season, after all) and even electrical appliances. One player earned themselves a top-of-the-range refrigerator. Talk about cool!

But what if that's not what you want, we hear you ask? That's NEVER a problem. Fair Go Casino and their dedicated VIP Hosts pride themselves on communication, so every gift is delivered with thought and care, and that means one thing: happy customers.

If you want to be one of those happy campers, then there's never been a better time to give Fair Go a go. That's because there's a [\\$1000 Welcome Bonus](#) available for new players, plus a whole bunch more promotions just waiting for you. And hey, maybe Christmas will come early for you too!

**Harry Wilson, Fair Go Casino VIP Host**, said: *"Every now and again, we like to buy gifts for exclusive players. When it comes to nice gifts like these, we usually ask for details of what our players like so they get exactly what they want."*
